

Works Notification

Night time traffic management on State Highway 1 north of Johnstones Hill Tunnels

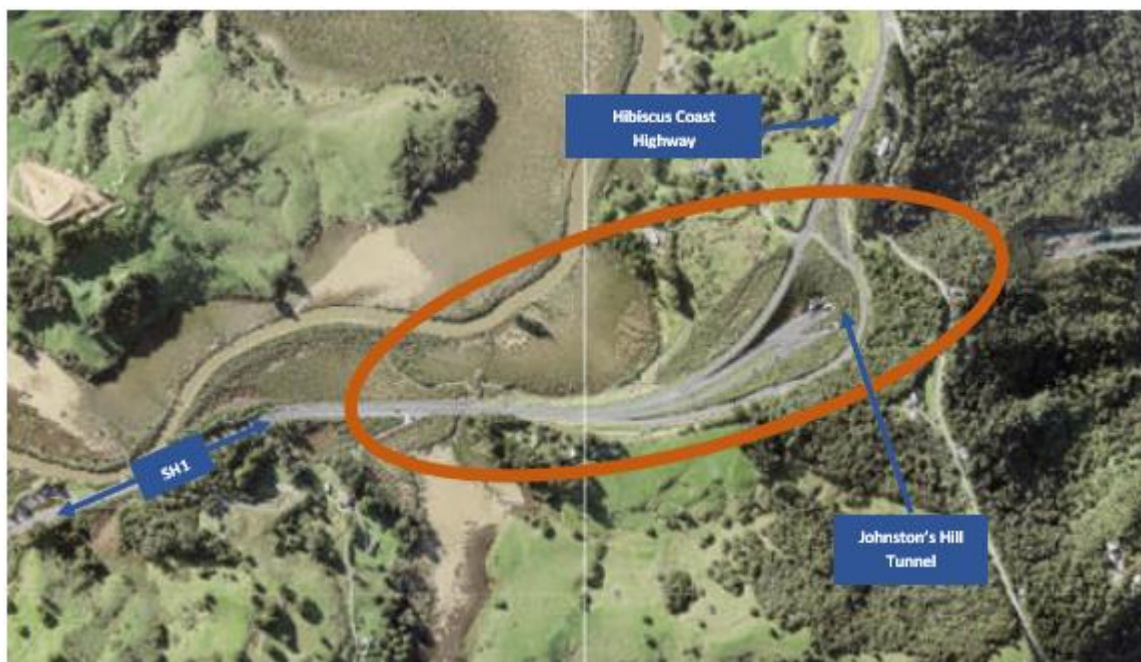

The Ara Tūhono - Pūhoi to Warkworth project will continue with night time road works on State Highway 1 (SH1) north of Johnstones Hill Tunnels. For safety reasons the southbound lane will be closed and stop/go traffic management will be in place while works happen.

When will this work happen?

The night works are scheduled to commence on **Sunday 18 October to Tuesday 20 October**, and again on **Sunday 1 November to Tuesday 3 November**, with a complete duration of works planned for six nights. The dates are weather dependant. To minimise disruption, works will be carried out between the hours of 9.00pm and 4.30am when traffic volumes are lower.

What does this mean for you?

The night time stop/go traffic management will be in place for vehicles travelling in both directions on SH1 through the tunnels, there may be a small delay while works are happening.
