Dear Neighbour,

The Ara Tūhono - Pūhoi to Warkworth Project will be carrying out an early morning concrete pour at the Asset Maintenance & Management (AM&M) building site next to State Highway 1 (SH1) between Hudson Road and the Kaipara Flats Road/Goatley Road intersection, Warkworth.

The pours are planned to take place on Thursday 17<sup>th</sup> December and Tuesday 22<sup>nd</sup> December 2020 from 3:00am. Each pour will take up to five hours to complete. The project team will be pouring the workshop floor slab and retaining wall footing during this time.

Traffic on SH1 will not be affected during these works however, neighbours may notice increased activity in the area and some noise during these works. The team will work hard to minimise disruptions and noise monitoring will be undertaken; we thank you for your patience and support while we complete this important work.
